SPECIAL PROVISIONS

1. SCOPE OF CONTRACT:

The purpose of this Request for Proposal is to enter into a contract with a highly qualified firm to assist the Tysons Land Use Task Force in identifying changes to the 1994 Comprehensive Plan for Tysons Corner by applying the best possible Transit Oriented Development (TOD) and urban design planning strategies for the future growth of the Tysons Corner Urban Center. These changes shall reflect the work of the Task Force as well as include community input, recognize the singular and vital role that Tysons plays in Fairfax County’s economic and social development, and maximize the advantageous utilization of four new Metrorail stations in accordance with the terms and conditions of the Request for Proposal.

The selected consultant will work with the study’s current consultants: The Perspectives Group, which has been hired to manage public outreach and participation, and Cambridge Systematics, which has been hired as the study’s transportation consultant.

2. PRE-PROPOSAL CONFERENCE:

2.1. A pre-proposal conference will be held on July 19, 2006 at 10:00 A.M. in the Fairfax County Government Center, Conference Center Room 8, 12000 Government Center Parkway, Fairfax, Virginia. Attendees requiring special services are asked to provide their requirements to the Department of Purchasing and Supply Management ADA representative at (703) 324-3201 or TTY 1-800-828-1140. Please allow five (5) working days in advance of the event to make the necessary arrangements.

2.2. The purpose of the pre-proposal conference is to give potential Offerors an opportunity to ask questions and to obtain clarification about any aspect of this Request for Proposal.

3. CONTRACT COMPLETION AND RENEWAL:

3.1. This contract will begin on October 1, 2006, or date of award, whichever is later, and terminate on December 31, 2007. Automatic contract renewals are prohibited. Contract renewals must be authorized by and coordinated through the County’s Purchasing Department. The County reserves the right to renew the contract for one additional year. This contract may be renewed at the expiration of its term by agreement of both parties. Notice of intent to renew will be given to the Contractor in writing by the County Purchasing Department, normally 60 days before the expiration date of the current contract. (This notice shall not be deemed to commit the County to a contract renewal.)

3.2. Any contract awarded pursuant to this Request for Proposal is conditioned upon an annual appropriation made by the Fairfax County Board of Supervisors of funds sufficient to pay compensation due the Contractor under the contract. The contract will provide that if such an appropriation is not made in any fiscal year, and the County lacks funds from other sources to pay the compensation due under the contract, the County will be entitled, at the beginning of or during such fiscal year, to terminate the contract. In that event, the County will not be obligated to make any payments under the contract beyond the amount properly appropriated for contract payments in the immediate prior fiscal year. The County will provide the Contractor with written notice of contract termination due to the non-appropriation of funds at least thirty (30) calendar days before the effective date of the termination. However, the County’s failure to provide such notice will not extend the contract into a fiscal year in which funds for contract payments have not been appropriated.
4. **BACKGROUND:**

Between 1989 -1991, the County's Comprehensive Plan underwent a major review known as the Fairfax Planning Horizons process. The first phase of the Fairfax Planning Horizons resulted in the creation of the Policy Plan, which was adopted by the Board of Supervisors on August 6, 1990. Also on this date, the Board adopted The Concept for Future Development and Land Classification System, which designated Tysons Corner (a 1,700 acre area) as the County's Urban Center and provided general guidance on how the character of Tysons Corner shall change to a more urban and pedestrian environment.

In late 1990, the Board of Supervisors authorized a study of the Tysons Corner Urban Center to identify amendments to the Comprehensive Plan that would accomplish the objective of guiding the area's evolution to a more urban and pedestrian-oriented environment. In 1994, this planning effort concluded with the Plan Amendment that made substantial changes to how the area was planned and shifted the direction of the previous 20 years of nurturing suburban and auto-oriented development to a direction beginning encouragement of urban and pedestrian oriented development. A key element of the 1994 Plan was recommending the provision of Metrorail service through Tysons Corner which was viewed as a necessary catalyst for transforming the area.

Four Metrorail stations are to be provided in Tysons and rail service through Tysons is scheduled to be constructed and operational in 2011 as part of the first phase of the Metrorail extension to Dulles Airport and Loudoun County. (For more information on station locations, timeline for construction and financing see [www.dullesmetro.com](http://www.dullesmetro.com/)).

The Planning Commission and Board of Supervisors designated 2004 as an Area Plans Review (APR) year for North County. The process allows the community to engage in the planning process by submitting proposals to amend the adopted Comprehensive Plan. Twenty nominations addressing property in Tysons Corner were received, which advocated higher intensity now that Metrorail through the area seemed eminent. A summary of each nomination can be found at [www.fairfaxcounty.gov/dpz/tysonscorner/](http://www.fairfaxcounty.gov/dpz/tysonscorner/). Because of the size of the area (1,700 acres) and the complexity of the issues affecting land use, transportation, and public facilities, in July 2004, the Planning Commission, at the Board's request, deferred all rail-related APR nominations in Tysons Corner pending a Special Study to evaluate the area's transportation system and review Tysons Corner rail related Plan recommendations.

Since the scope of the study requires public involvement at several stages, on March 21, 2005, the Board of Supervisors established a coordinating committee to work with staff during the special study and to help coordinate public outreach and public input. On May 23, 2005, the Committee membership was expanded by the Board of Supervisors to include additional countywide representation and other interests. This expanded committee is known as the Tysons Land Use Task Force. The Task Force's mission (as described by the Board of Supervisors) is to formulate Plan revisions that will: promote mixed use, facilitate transit-oriented development, enhance pedestrian connections throughout Tysons, increase the residential component of the density mix, improve the functionality of the area, and provide for amenities and aesthetics such as public spaces, art, and parks.

The Task Force work to date has review and discussed aspects of the current Comprehensive, as well as had briefings and discussions on issues that will shape the future of Tysons Corner, such as the Dulles Rail Project, Transit Oriented Development (TOD) and affordable/workforce housing. The Task Force has redrafted the Plan's major planning objectives, conducted initial community outreach and formulated guiding planning principles for shaping and evaluating alternative land use scenarios (For more information about Task Force activities see [www.fairfaxcounty.gov/dpz/tysonscorner/](http://www.fairfaxcounty.gov/dpz/tysonscorner/)).

During recent Task Force discussions concerning the need for the timely completion of their work, the Task Force identified the need for consultants with extensive planning and urban design expertise on large scale planning and urban design projects, with specialization in Transit Oriented Development (TOD). With the foundation of work provided by the Task Force and staff, the additional consultant expertise, along with current transportation and community outreach consultant resources, this study shall be completed by in a timely manner.
5. **TASKS TO BE PERFORMED:** Qualified offerors are encouraged to submit a proposal addressing the following five tasks and deliverables:

5.1 **Task 1 - Utilize Background Information:** An extensive amount of background material is to be utilized for becoming quickly familiar with issues associated with Tysons Corner and to facilitate the development of an Urban Center Model(s) as described under Task 2. The following highlights available information to utilize:

- Become familiar with the area’s existing conditions and trends, aspects of the proposed Dulles rail project as related to Tysons Corner (www.dullesmetro.com) and the current Comprehensive Plan for Tysons Corner, especially the area-wide concepts, issues and objectives (See current Comprehensive Plan’s area-wide recommendations on the Tysons Corner website at: www.fairfaxcounty.gov/dpz/tysonscorner).
- Utilize Task Force Work: Major Planning Objectives, initial community outreach results, and the “Guiding Planning Principles” for parameters to consider in shaping and evaluating an Urban Center Model(s).
- Review County staff’s GIS data for Tysons, which include the existing development and current Plan’s land use, intensity, building height, and pedestrian networks.
- Review current Transportation and Urban Design consultant work, which include an assessment of the transportation systems existing conditions and trends and a general urban design assessment of the area.
- Review Development Proposals in Tysons Corner, which include recently approved and pending rezoning applications, Area Plan Review (APR) nominations and more recent development concepts for areas of Tysons as prepared by property owner coalitions.
- Utilize Fairfax County and Tyson Corner growth forecasts and trends data and documents, which include the Fairfax County Trends Report and the MWCOG Round 7 employment, population and household forecast.

**Deliverables:** After review of the above, prepare a summary document and PowerPoint presentation of issues, opportunities and constraints for Tysons based on this initial review and utilization of the above. Present information to the Task Force at the completion of this task.

5.2 **Task 2 - Develop Urban Center Model(s):** The Urban Center Model(s) shall provide approaches for shaping and managing anticipated growth within the Tysons Corner Urban Center existing boundary in accordance with the Task Force’s Major Planning Objectives and Guiding Planning Principles. The Model(s) shall include current public input and consider APR nominations as well as other property owner development proposals. The Model(s) shall provide:

- Parcel or parcel grouping assumptions for land use (designated mix of uses, when appropriate), intensity/density, building height, building form and open space amenities (such as park and plazas).
- Vehicular and Pedestrian Connectivity Networks (i.e., street grid, pedestrian facilities and streetscape) and the hierarchy for each.
- Green infrastructure system that integrates with the vehicular and pedestrian networks.
- The amount of housing needed to be an integral component of the area’s mix of uses which include affordable and workforce units.
- The public facilities and community serving uses needed to support the model(s).
- Outline of policies and implementation strategies supportive of the model(s).

**Deliverables:** A report documenting the approach/methodology for formulating the Urban Center Model(s) and descriptions of each in text, tabular and visualization (both 2-D and 3-D) formats. The report shall provide a level of detail that clearly communicates each model and shall also provide notable differences in the character of each model. A PowerPoint presentation shall be prepared that summarizes the model(s), which is to be used in a presentation to the Task Force and at community outreach activities.
5.3 **Task 3: Analysis of Alternatives**: The analysis of alternatives includes evaluation of the current Plan and the Urban Center Model(s). This analysis will include the impacts to the transportation system (by Cambridge Systematics), public facilities and infrastructure, as well as an evaluation of the economic impacts and an evaluation of potential impacts on communities surrounding Tysons. In addition, connectivity and pedestrian accessibility shall be evaluated as well as other circulation improvements (such as a circulator bus system) and how changing the form of development and mix of uses can influence/reduce transportation impacts. The outcome of these analyses shall be a suggested preferred Urban Center Model, which becomes the basis of drafting revisions to the Comprehensive Plan. Since the analyses cover a wide-range of impacts, the consultant will need to coordinate with and provide the necessary data to:

- The current transportation consultant firm (Cambridge Systematics) which will be responsible for running the Tysons transportation model (already developed for the study's transportation analysis), evaluating the performance of the transportation system, and analyzing and optimizing trip reductions achieved through Transportation Demand Management (TDM). However, the consultant will work collaboratively with Cambridge Systematics in manner that ensures the benefits of different levels of Transportation Demand Management (TDM) are appropriately accounted for and also to account for how changing the form of development and mix of uses can influence/reduce transportation impacts.
- County staff to coordinate evaluations with public facility and infrastructure providers (water, sanitary sewer, stormwater, schools, libraries, parks and utilities).

**Deliverables:** A report shall be provided that documents methodologies and findings of the transportation and public facility/infrastructure analyses as well as findings concerning economic impacts and impacts on communities surrounding Tysons. In addition, the report shall include the findings and conclusions about connectivity issues (including specific transportation recommendations), approaches for providing affordable and workforce housing, and identify key implementation considerations. The report shall provide a level of detail that clearly communicates findings and conclusions about each alternative and shall also provide a suggested preferred urban center model which may be a hybrid of the alternatives. A PowerPoint presentation shall be prepared that summarizes the analysis of alternatives, which is to be used in a presentation to Task Force and at community outreach activities.

5.4 **Task 4: Community Outreach**: Community outreach approaches shall be designed within the proposed timeframe of completing the study. With direction from the Task Force, the consultant in conjunction with The Perspectives Group (the outreach consultant firm currently under contract) will plan and conduct a robust outreach effort. Outreach events (i.e. public meetings, dialogue sessions and/or workshops) shall occur appropriately throughout the process. All outreach efforts shall be tightly focused on a particular issue or aspect of this planning process in order to effectively receive community input.

**Deliverables:** Provide an Outreach Plan which is developed in conjunction with The Perspectives Group. A product of the each phase of community outreach shall be a report that summarizes the community input. In Task 5 (Develop Plan Text Recommendations), the outreach results shall be utilized in the refinement of the preferred Urban Center Model.

5.5 **Task 5: Develop Plan Text Recommendations**: Draft recommendations shall provide but not be limited to the following:

- Guidance for Land Use and Intensity as well as Urban Design Guidance including building height, building form, Transit Oriented Design, streetscape and connectivity/accessibility (grid of streets with a hierarchy of street types).
- Guidance for Implementing Transportation improvements and programs (grid of streets, TDM, parking management strategies).
- Guidance for implementing public facilities/infrastructure, community serving uses, and community/cultural amenities.
- Guidance for incorporating environmental friendly design, which include green building practices, and storm water management controls, which improve water quality in downstream areas.
- Guidance for providing housing choices including affordable/workforce housing.
SPECIAL PROVISIONS continued

- Guidance for aesthetics or an overall artistic approach for shaping the area's future character.
- Guidance for implementing Plan recommendations, which shall include process and regulation modifications as well as new measures/approaches, which may provide incentives for implementing change.
- Recommendation for follow up studies that may be needed to implement the Comprehensive Plan.

Deliverables: A draft recommendation report shall be provided and based on the Task Force's review and comment and community input, a revised recommendation report shall be prepared. The recommendation report shall provide the above guidance at a level of detail that clearly communicates in text and visual forms changes to the Comprehensive Plan. A PowerPoint presentation shall be prepared that summarizes the recommendations, which is to be used in a presentation to Task Force and at community outreach activities as well as for Planning Commission and Board of Supervisor Public Hearings.

CONDITIONS OF BIDDING

3. BID FORMS—Unless otherwise specified in the solicitation, all bids shall be submitted on the forms provided, to include the bid Cover Sheet and Pricing Schedule(s), properly signed in ink in the proper spaces and submitted in a sealed envelope provided with the solicitation. The item pages of the Pricing Schedule which do not include any items for which a bid is required need not be included in the submission of a bid.

Should the bid prices and/or any other submissions differ on the copy of the submitted bid, the ORIGINAL copy shall prevail.

4. LATE BIDS & MODIFICATIONS OF BIDS—

a. Any bid/modification received at the office designated in the solicitation after the exact time specified for receipt of the bid/modification is considered a late bid/modification. A late bid/modification will not be considered for award except under the following conditions only:

1. It was sent by registered or certified mail not later than the fifth (5th) calendar date prior to the date specified for receipt of the bid/modification; or

2. The bid/modification was sent by mail and it is determined by the County Purchasing Agent that the late receipt was due solely to mishandling by the County after receipt at the address specified in the solicitation.

b. If the County declares administrative or liberal leave, scheduled bid openings or receipt of proposals will be extended to the next business day.

c. The time of receipt of bids at the specified location is the time-date stamp of such location on the bid wrapper or other documentary evidence of receipt maintained by the specified location.

d. A late hand-carried bid, or any other late bid not submitted by mail, shall not be considered for award.

5. WITHDRAWAL OF BIDS—

a. A bidder for a public construction contract, other than a contract for construction or maintenance of public highways, may withdraw his or her bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake therein, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn. If a bid contains both clerical and judgment mistakes, a bidder may withdraw his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, that was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid which shall be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn. The bidder shall give notice in writing to the Purchasing Agent of his or her claim of right to withdraw his or her bid within two (2) business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice.

b. A bidder for a contract other than for public construction may request withdrawal of his or her bid under the following circumstances:

1. Requests for withdrawal of bids prior to opening of such bids shall be transmitted to the County Purchasing Agent in writing.

2. Requests for withdrawal of bids after opening of such bids but prior to award shall be transmitted to the County Purchasing Agent, in writing, accompanied by full documentation supporting the request. If the request is based on a claim of error, documentation must show the basis of the error. Such documentation may take the form of supplier quotations, vendor work sheets, etc. If bid bonds were tendered with the bid, the County may exercise its right of collection.

c. No bid may be withdrawn under this paragraph when the result would be the awarding of the contract on another bid of the same
bidder or of another bidder in which the ownership of the withdrawing bidder is more than five percent.

d. If a bid is withdrawn under the authority of this paragraph, the lowest remaining bid shall be deemed to be the low bid.

e. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.

f. If the county denies the withdrawal of a bid under the provisions of this paragraph, it shall notify the bidder in writing stating the reasons for its decision and award the contract to such bidder at the bid price, provided such bidder is a responsible and responsive bidder.

g. Work papers, documents, and materials submitted in support of a withdrawal of bids may be considered as trade secrets or proprietary information subject to the conditions of the Virginia Freedom of Information Act.

6. ERRORS IN BIDS—When an error is made in extending total prices, the unit bid price will govern. Erasures in bids must be initialed by the bidder. Carelessness in quoting prices, or in preparation of bid otherwise, will not relieve the bidder. Bidders are cautioned to recheck their bids for possible error. Errors discovered after public opening cannot be corrected and the bidder will be required to perform if his or her bid is accepted.

7. MAILING OF BIDS—All bids and proposals submitted in response to a Fairfax County solicitation shall be submitted either a) in the special mailing envelope provided by the Department of Purchasing and Supply Management or b) have the solicitation number, subject, and date/time of opening/closing clearly marked on the outside of any other wrapper used.

8. COMPLETENESS—To be responsive, a bid must include all information required by the solicitation.

9. ACCEPTANCE OF BIDS/BINDING 90 DAYS—Unless otherwise specified, all formal bids submitted shall be binding for ninety (90) calendar days following bid opening date, unless extended by mutual consent of all parties.

10. CONDITIONAL BIDS—Conditional bids are subject to rejection in whole or in part.

11. BIDS FOR ALL OR PART—Unless otherwise specified by the County Purchasing Agent or by the bidder, the Purchasing Agent reserves the right to make award on all items in the aggregate or on any of the items on an individual basis, whichever is in the best interest of the County. A bidder may restrict his or her bid to consideration in the aggregate by so stating but shall name a single unit price on each item bid. Any bid in which the bidder names a total price for all the articles without quoting a unit price for each and every separate item may not be considered for award.

12. AREA BIDS—For the purchase and delivery of certain goods and services the County may be divided into Areas (e.g., Areas I, II, III, and IV). When such goods and services are included in the Pricing Schedule, bidders may bid on all areas or an individual area. A map showing the areas of the County will be furnished with the solicitation when required.

13. TIME FOR RECEIVING BID—Bids received prior to the time of opening will be securely kept, unopened. The representative of the Purchasing Agent assigned to open them will decide when the specified time has arrived, and no bid received thereafter will be considered, except as provided in paragraph 4. General Conditions and Instructions to Bidders. No responsibility will attach to the Purchasing Agent or his or her representative for the premature opening of a bid not properly addressed and identified. Unless specifically authorized in the solicitation, telegraphic, electronic, or facsimile bids/modifications will not be considered.

14. BID OPENING—All bids received in response to an Invitation for Bid (IFB) will be opened at the date, time and place specified, read publicly, and made available for inspection as provided in paragraph 68, General Conditions and Instructions to Bidders. Tabulations of bids received are posted on the Department of Purchasing & Supply Management Bulletin Board as well as the County’s web site: http://www.fairfaxcounty.gov/dpmn/solic.htm.

Proposals received in response to a Request for Proposal (RFP) will be made available as provided in paragraph 68, General Conditions and Instructions to Bidders.

15. OMISSIONS & DISCREPANCIES—Any items or parts of any equipment listed in this solicitation which are not fully described or are omitted from such specification, and which are clearly necessary for the completion of such equipment and its appurtenances, shall be considered a part of such equipment although not directly specified or called for in the specifications. Should a bidder find discrepancies or ambiguities in, or omissions from, the solicitation, including the drawings and or specifications, he or she shall notify the Purchasing Agent at least five (5) days prior to the date set for the opening of bids. If necessary, the Purchasing Agent will send a written addendum for clarification to all bidders no later than three (3) days before the date set for opening of bids. Notifications regarding specifications will not be considered if received within five days of the date set for opening of bids.

16. RESPONSE TO SOLICITATIONS—In the event a vendor cannot submit a bid on a solicitation, he or she is requested to return the solicitation cover sheet with an explanation as to why he or she is unable to bid on these requirements.

17. BIDDER INTERESTED IN MORE THAN ONE BID—If more than one bid is offered by any one party, either directly or by or in the name of his or her clerk, partner, or other persons, all such bids may be rejected. A party who has quoted prices on work, materials, or supplies to a bidder is not thereby disqualified from quoting prices to other bidders or firms submitting a bid directly for the work, materials or supplies.
18. **TAX EXEMPTION**—The County is exempt from the payment of any federal excise or any Virginia sales tax. The price bid must be net, exclusive of taxes. However, when under established trade practice any federal excise tax is included in the list price, a bidder may quote the list price and shall show separately the amount of federal tax, either as a flat sum or as a percentage of the list price, which shall be deducted by the County. Fairfax County's Federal Excise Tax Exemption Number is 54-74-0127K. Contractors located outside the Commonwealth of Virginia are advised that when materials are picked up by the County at their place of business, they may charge and collect their own local/state sales tax. Materials used in the performance of construction contracts are subject to Virginia Sales/Use Tax as described in Section 630-10-273 of the Virginia Retail Sales and Use Tax Regulations.

19. **PROHIBITION AGAINST UNIFORM PRICING**—The County Purchasing Agent shall encourage open and competitive bidding by all possible means and shall endeavor to obtain the maximum degree of open competition on all purchase transactions using the competitive sealed bidding, competitive negotiation, or open market methods of procurement. In submitting a bid each bidder shall, by virtue of submitting a bid, guarantee that he or she has not been a party with other bidders to an agreement to bid a fixed or uniform price. Violation of this implied guarantee shall render void the bids of participating bidders. Any disclosure or acquisition by a competitive bidder in advance of the opening of the bids, of the terms or conditions of the bid submitted by another competitor may render the entire proceedings void and may require re-advertising for bids.

**SPECIFICATIONS**

20. **QUESTIONS CONCERNING SPECIFICATIONS**—Any information relative to interpretation of specifications and drawings shall be requested of the Purchasing Agent, in writing, in ample time before the opening of bids. No inquiries, if received by the Purchasing Agent within five (5) days of the date set for the opening of bids, will be given any consideration. Any material interpretation of a specification, as determined by the County Purchasing Agent, will be expressed in the form of an addendum to the specification which will be sent to all prospective bidders no later than three (3) days before the date set for receipt of bids. Oral answers will not be authoritative.

21. **BRAND NAME OR EQUAL ITEMS**—Unless otherwise provided in the invitation for bid, the name of a certain brand, make or manufacturer does not restrict bidders to that specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired, and any article which the County in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.

22. **FORMAL SPECIFICATIONS**—When a solicitation contains a specification which states no substitutes, no deviation therefrom will be permitted and the bidder will be required to furnish articles in conformity with that specification.

The bidder shall abide by and comply with the true intent of the specifications and not take advantage of any unintentional error or omission, but shall fully complete every part of the true intent and meaning of the specifications and drawings. Whenever the mention is made of any articles, material, or workmanship to be in accordance with laws, ordinances, building codes, underwriter's codes, A.S.T.M. regulations or similar expressions, the requirements of these laws, ordinances, etc., shall be construed as to the minimum requirements of these specifications.

**AWARD**

24. **AWARD OR REJECTION OF BIDS**—The Purchasing Agent shall award the contract to the lowest responsive and responsible bidder complying with all provisions of the IFB, provided the bid price is reasonable and it is in the best interest of the County to accept it. Awards made in response to a RFP will be made to the highest qualified offeror whose proposal is determined, in writing, to be the most advantageous to the County taking into consideration the evaluation factors set forth in the RFP. The Purchasing Agent reserves the right to award a contract by individual items, in the aggregate, or in combination thereof, or to reject any or all bids and to waive any informality in bids received whenever such rejection or waiver is in the best interest of the County. Award may be made to as many bidders as deemed necessary to fulfill the anticipated requirements of Fairfax County. The Purchasing Agent also reserves the right to reject the bid of a bidder deemed to be a non-responsible bidder.

In determining the responsibility of a bidder, the following criteria will be considered:

- The ability, capacity and skill of the bidder to perform the contract or provide the service required;
- Whether the bidder can perform the contract or provide the service promptly, or within the time specified, without delay or interference;
- The character, integrity, reputation, judgment, experience and efficiency of the bidder;
- The quality of performance of previous contracts or services;
- The previous and existing compliance by the bidder with laws and ordinances relating to the contract or services;
- The sufficiency of the financial resources and ability of the bidder to perform the contract or provide the service;
- The quality, availability and adaptability of the goods or services to the particular use required;
- The ability of the bidder to provide future maintenance and service for the use of the subject of the contract;
i. The number and scope of the conditions attached to the bid;

j. Whether the bidder is in arrears to the County on debt or contract or is a defaulter on surety to the County or whether the bidder’s County taxes or assessments are delinquent; and

k. Such other information as may be secured by the County Purchasing Agent having a bearing on the decision to award the contract. If an apparent low bidder is not awarded a contract for reasons of nonresponsibility, the County Purchasing Agent shall so notify that bidder and shall have recorded the reasons in the contract file.

25. NOTICE OF ACCEPTANCE/CONTRACT DOCUMENTS - A written award (or Acceptance Agreement) mailed (or otherwise furnished) to the successful bidder within the time for acceptance specified in the solicitation shall be deemed to result in a binding contract. The following documents which are included in the solicitation shall be incorporated by reference in the resulting contract and become a part of said contract:

a. County of Fairfax Solicitation Form/Acceptance Agreement (Cover Sheet) and other documents which may be incorporated by reference, if applicable,

b. General Conditions and Instructions to Bidders,

c. Special Provisions and Specifications,

d. Pricing Schedule,

e. Any Addenda/Amendments/Memoranda of Negotiations

26. TIE-BIDS – If all bids are for the same total amount or unit price (including authorized discounts and delivery times), and if the public interest will not permit the delay of readvertisement for bids, the County Purchasing Agent is authorized to award the contract to the resident Fairfax County tie bidder whose firm has its principal place of business in the County, or if there be none, to the resident Virginia tie bidder, or if there be none, to one of the tie bidders by drawing lots in public, or the County Purchasing Agent may purchase the goods or services in the open market except that the price paid shall not exceed the lowest contract bid price submitted for the same goods or services. The decision of the County to make award to one or more such bidders shall be final.

27. PROMPT PAYMENT DISCOUNT -

a. Unless otherwise specified in the solicitation, prompt payment discounts requiring payment in less than fifteen (15) days will not be considered in evaluating a bid for award. However, even though not considered in the evaluation, such discounts will be taken if payment is to be made within the discount period.

b. In connection with any discount offered, time will be computed from the date of delivery of the supplies to the carrier when delivery, inspection and acceptance are at the point of origin; or, from date of delivery, inspection and acceptance at destination; or, from date correct invoice or voucher is received in the office specified by the County, if the latter is later than the date of acceptance. In the event the bidder does not indicate a prompt payment discount, it shall be construed to mean NET 30 days.

For the purpose of earning the discount, payment is deemed to be made as of the date of mailing of the County check or issuance of an Electronic Funds Transfer.

28. INSPECTION-ACCEPTANCE - For determining acceptance of supplies in accordance with the provisions of the prompt payment discount paragraph, inspection and acceptance shall be accomplished only after examination (including testing) of supplies and services to determine whether the supplies and services conform to the contract requirements. Acceptance shall occur only after receipt and inspection provided such inspection, as appropriate, is accomplished within a reasonable time.

29. DEFINITE BID QUANTITIES - Where definite quantities are specifically stated, acceptance will bind the County to order quantities specified and to pay for, at contract prices, all such supplies or services delivered that meet specifications and conditions of the contract. However, the County will not be required to accept delivery of any balances unordered, as of the contract expiration date, unless the Contractor furnished the Purchasing Agent with a statement of unordered balances not later than ten (10) days after the termination date of the contract.

30. REQUIREMENT BID QUANTITIES - On "Requirement" bids, acceptance will bind the County to pay for, at unit bid prices, only quantities ordered and delivered. Where the County specifies estimated quantities, the Contractor shall not be required to deliver more than ten (10) percent in excess of the estimated quantity of each item, unless otherwise agreed upon.

CONTRACT PROVISIONS

31. TERMINATION OF CONTRACTS - Contracts will remain in force for full periods specified and/or until all articles ordered before date of termination shall have been satisfactorily delivered and accepted and thereafter until all requirements and conditions shall have been met, unless:

a. Terminated prior to expiration date by satisfactory deliveries of entire contract requirements, or upon termination by the County for Convenience or Cause.

b. Extended upon written authorization of the Purchasing Agent and accepted by Contractor, to permit ordering of unordered balances
32. TERMINATION FOR CONVENIENCE—A contract may be terminated in whole or in part by the County in accordance with this clause whenever the County Purchasing Agent shall determine that such a termination is in the best interest of the County. Any such termination shall be effected by delivery to the Contractor at least five (5) working days prior to the termination date of a Notice of Termination specifying the extent to which performance shall be terminated and the date upon which termination becomes effective. An equitable adjustment in the contract price shall be made for completed service, but no amount shall be allowed for anticipated profit on unperformed services.

33. TERMINATION OF CONTRACT FOR CAUSE—
   a. If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner his or her obligations under this contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this contract, the County shall thereupon have the right to terminate, specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event all finished or unfinished documents, data, studies, surveys, drawings, maps, models, and reports prepared by the Contractor under the contract shall, at the option of the County, become its property and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents.
   b. Notwithstanding the above, the Contractor shall not be relieved of liability to the County for damages sustained by the County by virtue of any breach of contract by the Contractor for the purpose of set off until such time as the exact amount of damages due to the County from the Contractor is determined.

34. CONTRACT ALTERATIONS—No alterations in the terms of a contract shall be valid or binding upon the County unless made in writing and signed by the Purchasing Agent or his or her authorized agent.

35. SUBLETING OF CONTRACT OR ASSIGNMENT OF CONTRACT FUNDS—It is mutually understood and agreed that the Contractor shall not assign, transfer, convey, sublet or otherwise dispose of his or her contractual duties to any other person, firm or corporation, without the previous written consent of the Purchasing Agent. If the Contractor desires to assign his or her right to payment of the contract, Contractor shall notify the Purchasing Agent immediately, in writing, of such assignment of right to payment. In no case shall such assignment of contract relieve the Contractor from his or her obligations or change the terms of the contract.

36. FUNDING—A contract shall be deemed binding only to the extent of appropriations available to each Agency for the purchase of goods and services.

37. DELIVERY/SERVICE FAILURES—Failure of a Contractor to deliver goods or services within the time specified, or within reasonable time as interpreted by the Purchasing Agent, or failure to make replacements/rectifications of rejected articles/services when so requested, immediately or as directed by the Purchasing Agent, shall constitute authority for the Purchasing Agent to purchase in the open market articles/services of comparable grade/quality to replace the services, articles rejected, and/or not delivered. On all such purchases, the Contractor shall reimburse the County, within a reasonable time specified by the Purchasing Agent, for any expense incurred in excess of contract prices. Such purchases shall be deducted from the contract quantities if applicable. Should public necessity demand it, the County reserves the right to use or consume articles delivered or services performed which are substandard in quality, subject to an adjustment in price to be determined by the Purchasing Agent.

38. NON-LIABILITY—The Contractor shall not be liable in damages for delay in shipment or failure to deliver when such delay or failure is the result of fire, flood, strike, the transportation carrier, act of God, act of Government, act of an alien enemy or by any other circumstances which, in the Purchasing Agent’s opinion, are beyond the control of the Contractor. Under such circumstances, however, the Purchasing Agent may, at his or her discretion, cancel the contract.

39. NEW GOODS, FRESH STOCK—All Contractors, unless otherwise specifically stated, shall provide new commodities, fresh stock, latest model, design or pack.

40. NON-DISCRIMINATION—During the performance of this contract, the Contractor agrees as follows:
   a. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause.
   b. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such Contractor is an equal opportunity employer.
   c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.
   d. The Contractor will include the provisions of the foregoing paragraphs a, b, and c above in every subcontract or purchase order of over $10,000 so that the provisions will be binding upon each subcontractor or vendor.
   e. Contractor and Subcontractor hereunder shall, throughout the term of this contract, comply with the Human Rights Ordinance, Chapter 11 of the Code of the County of Fairfax, Virginia, as reenacted or amended.
41. VENDOR RELATIONS DIVISION-

a. It is the policy of the County of Fairfax as declared by the Fairfax County Board of Supervisors' adoption of a Small and Minority Business Enterprise Program, April 6, 1981, that Fairfax County and its employees undertake every effort to increase opportunity for utilization of small or minority businesses in all aspects of procurement to the maximum extent feasible.

b. In connection with the performance of this contract, the Contractor agrees to use his or her best effort to carry out this policy and to insure that small and minority businesses shall have the maximum practicable opportunity to compete for subcontract work under this contract consistent with the efficient performance of this contract.

c. As used in this contract, the term small business means an independently owned and operated business which, together with affiliates, has 250 or fewer employees or average annual gross receipts of $10 million or less averaged over the previous three years.

d. As used in this contract, the term "minority business" means a business concern that is at least 51% owned by one or more minority individuals or in the case of a corporation, partnership or limited liability company, or other entity, at least 51% of the equity ownership interest in the corporation, partnership or limited company or other entity is owned by one or more minority individuals and both the management and daily business operations are controlled by one or more minority individuals. Such individuals shall include Asian American, African American, Hispanic American, Native American, Eskimo or Aleut.

e. As used in this contract, the term women-owned business means a business concern that is at least 51% owned by one or more women who are U.S. citizens or legal resident aliens, or in the case of a corporation, partnership or limited company or other entity, at least 51% of the equity ownership interest is owned by one or more women who are U.S. citizens or legal resident aliens, and both the management and daily business operations are controlled by one or more women who are U.S. citizens or legal resident aliens.

f. Contractors may rely on oral or written representations by subcontractors regarding their status as small and/or minority business enterprises in lieu of independent investigation.

g. Where Federal grants or monies are involved it is the policy of Fairfax County, through its agents and employees, to comply with the requirements set forth in the U.S. Office of Management and Budget Circular No. A-102, uniform administrative requirements for Grants and Cooperative Agreements with State and Local Governments, as they pertain to small and minority business utilization.

42. GUARANTEES & WARRANTIES—All guarantees and warranties required shall be furnished by the Contractor and shall be delivered to the Purchasing Agent before final payment on the contract is made. Unless otherwise stated, manufacturer's standard warranty applies.

43. PRICE REDUCTION—If at any time after the date of the bid the Contractor makes a general price reduction in the comparable price of any material covered by the contract to customers generally, an equivalent price reduction based on similar quantities and/or considerations shall apply to this contract for the duration of the contract period (or until the price is further reduced). Such price reduction shall be effective at the same time and in the same manner as the reduction in the price to customers generally. For purpose of this provision, a "general price reduction" shall mean any horizontal reduction in the price of an article or service offered (1) to Contractor's customers generally, or (2) in the Contractor's price schedule for the class of customers, i.e., wholesalers, jobbers, retailers, etc., which was used as the basis for bidding on this solicitation. An occasional sale at a lower price, or sale of distressed merchandise at a lower price, would not be considered a "general price reduction" under this provision. The Contractor shall submit his or her invoice at such reduced prices indicating on the invoice that the reduction is pursuant to the "Price Reduction" provision of the contract documents. The Contractor in addition will within ten days of any general price reduction notify the Purchasing Agent of such reduction by letter. FAILURE TO DO SO MAY REQUIRE TERMINATION OF THE CONTRACT. Upon receipt of any such notice of a general price reduction, all ordering offices will be duly notified by the Purchasing Agent.

The Contractor, if requested, shall furnish, within ten days after the end of the contract period, a statement certifying either (1) that no general price reduction, as defined above, was made after the date of the bid, or (2) if any such general price reductions were made, that as provided above, they were reported to the Purchasing Agent within ten (10) days and ordering offices were billed at the reduced prices. Where one or more such general price reductions were made, the statement furnished by the Contractor shall include with respect to each price reduction (1) the date when notice of any such reduction was issued, (2) the effective date of the reduction, and (3) the date when the Purchasing Agent was notified of any such reduction.

44. CHANGES—Should it become proper or necessary in the execution of this contract to make any change in design, or to make any alterations which will increase the expense, the Purchasing Agent shall determine an equitable adjustment.

No payment shall be made to the Contractor for any extra material or services, or of any greater amount of money than stipulated to be paid in the contract, unless some changes in or additions to the contract requiring additional outlay by the Contractor shall first have been expressly authorized and ordered in writing by contract amendment or otherwise furnished by the Purchasing Agent.

45. PLACING OF ORDERS—Orders against contracts will be placed with the Contractor on a Purchase Order (or Procurement Card) executed and released by the Purchasing Agent or his or her designee. The Purchase Order must bear the appropriate contract number and date. Where Blanket Purchase Agreements (BPAs) have been executed and a Blanket Purchase Order has been released by the Purchasing Agent, telephonic orders may be placed directly with the Contractor by authorized personnel in the ordering Agency.

If rejected materials are not removed by the Contractor within ten (10) days after date of notification, the County may return the rejected materials or supplies to the Contractor at his or her risk and expense or dispose of them as its own property.

48. INSPECTIONS-Inspection and acceptance of materials or supplies will be made after delivery at destinations herein specified unless otherwise stated. If inspection is made after delivery at destination herein specified, the County will bear the expense of inspection except for the value of samples used in case of rejection. Final inspection shall be conclusive except in regard to latent defects, fraud or such gross mistakes as to amount to fraud. Final inspection and acceptance or rejection of the materials or supplies will be made as promptly as practicable, but failure to inspect and accept or reject materials or supplies shall not impose liability on the County for such materials or supplies as are not in accordance with the specifications.

49. COMPLIANCE-Delivery must be made as ordered and in accordance with the solicitation or as directed by the Purchasing Agent when not in conflict with the bid. The decision of the Purchasing Agent as to reasonable compliance with delivery terms shall be final. Burden of proof of delay in receipt of goods by the purchaser shall rest with the Contractor. Any request for extension of time of delivery from that specified must be approved by the Purchasing Agent, such extension applying only to the particular item or shipment affected. Should the Contractor be delayed by the County, there shall be added to the time of completion a time equal to the period of such delay caused by the County. However, the contractor shall not be entitled to claim damages or extra compensation for such delay or suspension. These conditions may vary for construction contracts. See Special Provisions for the individual solicitation.

In such cases, difference between freight or mail and express charges may be added to invoice.

52. METHOD AND CONTAINERS-Unless otherwise specified, goods shall be delivered in commercial packages in standard commercial containers, so constructed as to ensure acceptance by common or other carrier for safe transportation to the point of delivery. Containers become the property of the County unless otherwise specified by bidder.

53. WEIGHT CHECKING-Deliveries shall be subject to re-weighting over official sealed scales designated by the County. Payments shall be made on the basis of net weight of materials delivered. Normal shrinkage may be allowed in such instances where shrinkage is possible. Net weights only, exclusive of containers or wrapping, shall be paid for by the County.

54. DEMURRAGE AND RE-SPOTTING-The County will be responsible for demurrage charges only when such charges accrue because of the County's negligence in unloading the materials. The County will pay railroad charges due to the re-spotting of cars, only when such re-spotting is ordered by the County.

55. REPLACEMENT-Materials or components that have been rejected by the Purchasing Agent, in accordance with the terms of a contract, shall be replaced by the Contractor at no cost to the County.

58. PAYMENT—Payment shall be made after satisfactory performance of the contract, in accordance with all of the provisions thereof, and upon receipt of a properly completed invoice. Fairfax County reserves the right to withhold any or all payments or portions thereof for Contractor's failure to perform in accordance with the provision of the contract or any modifications thereto.

59. PARTIAL PAYMENTS—Unless otherwise specified, partial payments will be made upon acceptance of materials or services so invoiced if in accordance with completion date. However, up to 5 percent (5%) of the value of the entire order may be retained until completion of contract.

60. PAYMENT FOR EQUIPMENT, INSTALLATION, AND TESTING—When equipment requires installation (which shall also be interpreted to mean erection and/or setting up or placing in position, service, or use) and test, and where such installation or testing is delayed, payment may be made on the basis of 50% of the contract price when such equipment is delivered on the site. A further allowance of 25% may be made when the equipment is installed and ready for test. The balance shall be paid after the equipment is tested and found to be satisfactory. If the equipment must be tested, but installation is not required to be made by the Contractor or if the equipment must be installed but testing is not required, payment may be made on the basis of 75% at the time of delivery and the balance shall be paid after satisfactory test or installation is completed.

4. Violation of contract provisions, as set forth below, of a character which is regarded by the County Purchasing Agent to be so serious as to justify suspension or debarment action:
   (a) failure without good cause to perform in accordance with the specifications or within the time limit provided in the contract; or
   (b) a recent record of failure to perform or of unsatisfactory performance in accordance with the terms of one or more contracts; provided, that failure to perform or unsatisfactory performance caused by acts beyond the control of the contractor shall not be considered to be a basis for suspension or debarment;
5. Any other cause the County Purchasing Agent determines to be so serious and compelling as to affect responsibility as a contractor, such as debarment by another governmental entity for any cause listed herein, or because of prior reprimands;
6. The contractor has abandoned performance or been terminated for default on any other Fairfax County project;
7. The contractor is in default on any surety bond or written guarantee on which Fairfax County is an obligee.

c. If, upon appeal, it is determined that the action taken by the County Purchasing Agent was arbitrary or capricious, or not in accordance with the Constitution of Virginia, statutes or regulations, the sole relief available to the person or firm shall be restoration of eligibility. The person or firm may not institute legal action until all statutory requirements have been met.

70. APPEAL OF DENIAL OF WITHDRAWAL OF BID-

a. A decision denying withdrawal of a bid submitted by a bidder or offeror shall be final and conclusive unless the bidder appeals the decision within ten (10) days after receipt of the decision by instituting legal action as provided in the Code of Virginia. The bidder or offeror may not institute legal action until all statutory requirements have been met.

b. If no bid bond was posted, a bidder refused withdrawal of bid under the provisions of Article 2, Section 4 a.9, of the Fairfax County Purchasing Resolution, prior to appealing, shall deliver to the County a certified check or cash bond in the amount of the difference between the bid sought to be withdrawn and the next low bid. Such security shall be released only upon a final determination that the bidder was entitled to withdraw the bid.

c. If, upon appeal, it is determined that the decision refusing withdrawal of the bid was arbitrary or capricious, the sole relief shall be withdrawal of the bid.

71. APPEAL OF DETERMINATION OF NONRESPONSIBILITY-

a. Any bidder who, despite being the apparent low bidder, is determined not to be a responsible bidder for a particular County contract shall be notified in writing by the County Purchasing Agent. Such notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within ten (10) days of receipt of the notice by instituting legal action as provided in the Code of Virginia. The bidder may not institute legal action until all statutory requirements have been met.

b. If, upon appeal, it is determined that the decision of the County Purchasing Agent was arbitrary or capricious and the award for the particular County contract in question has not been made, the sole relief available to the bidder shall be a finding that the bidder is a responsible bidder for the County contract in question. Where the award has been made and performance has begun, the County may declare the contract void upon a finding that this action is in the best interest of the public. Where a contract is declared void, the performing contractor shall be compensated for the cost of performance up to the time of such declaration. In no event shall the performing contractor be entitled to lost profits.

72. PROTEST OF AWARD OR DECISION TO AWARD-
a. Any bidder or offeror may protest the award or decision to award a contract by submitting a protest in writing to the County Purchasing Agent, or an official designated by the County of Fairfax, no later than ten (10) days after the award or the announcement of the decision to award, whichever occurs first. Any potential bidder or offeror on a contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such contract shall submit such protest in the same manner no later than ten days after posting or publication of the notice of such contract as provided in Article 2, Section 2, of the Fairfax County Purchasing Resolution. However, if the protest of any actual or potential bidder or offeror depends in whole or in part upon information contained in public records pertaining to the procurement transaction which are subject to inspection under Article 2, Section 4e of the Fairfax County Purchasing Resolution, then the time within which the protest must be submitted shall expire ten days after those records are available for inspection by such bidder or offeror under Article 2, Section 4e, or at such later time as provided herein. No protest shall lie for a claim that the selected bidder or offeror is not a responsible bidder or offeror. The written protest shall include the basis for the protest and the relief sought. The County Purchasing Agent shall issue a decision in writing within ten (10) days of the receipt of the protest stating the reasons for the action taken. This decision shall be final unless the bidder or offeror appeals within ten (10) days of receipt of the written decision by instituting legal action as provided in the Code of Virginia.

b. If prior to award it is determined that the decision to award is arbitrary or capricious, then the sole relief shall be a finding to that effect. The County Purchasing Agent shall cancel the proposed award or revise it to comply with the law. If, after an award, it is determined that an award of a contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided. Where the award has been made but performance has not begun, the performance of the contract may be declared void by the County. Where the award has been made and performance has begun, the County Purchasing Agent may declare the contract void upon finding that this action is in the best interest of the County. Where a contract is declared void, the performing contractor shall be compensated for the cost of performance at the rate specified in the contract up to the time of such declaration. In no event shall the performing contractor be entitled to lost profits.

c. Pending final determination of a protest or appeal, the validity of a contract awarded and accepted in good faith in accordance with this article shall not be affected by the fact that a protest or appeal has been filed.

d. An award need not be delayed for the period allowed a bidder or offeror to protest, but in the event of a timely protest, no further action to award the contract will be taken unless there is a written determination that proceeding without delay is necessary to protect the public interest or unless the bid or offer would expire.

73. CONTRACTUAL DISPUTES-

a. Any dispute concerning a question of fact as a result of a contract with the County which is not disposed of by agreement shall be decided by the County Purchasing Agent, who shall reduce his decision to writing and mail or otherwise forward a copy thereof to the contractor within thirty (30) days. The decision of the County Purchasing Agent shall be final and conclusive unless the contractor appeals within six (6) months of the date of the final written decision by instituting legal action as provided in the Code of Virginia. A contractor may not institute legal action, prior to receipt of the public body’s decision on the claim, unless the public body fails to render such decision within the time specified.

b. Contractual claims, whether for money or other relief, shall be submitted in writing no later than sixty days after final payment; however, written notice of the contractor’s intention to file such claim shall have been given at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amounts agreed due in the final payment.

74. LEGAL ACTION-No bidder, offeror, potential bidder or offeror, or contractor shall institute any legal action until all statutory requirements have been met.

75. COOPERATIVE PURCHASING-The County may participate in, sponsor, conduct or administer a cooperative procurement agreement on behalf of or in conjunction with one or more other public bodies, or public agencies or institutions or localities of the several states, of the United States or its territories, or the District of Columbia, for the purpose of combining requirements to increase efficiency or reduce administrative expenses in any acquisition of goods and services. Except for contracts for professional services, a public body may purchase from another public body’s contract even if it did not participate in the request for proposal (RFP) or invitation for bid (IFB), if the RFP or IFB specified that the procurement was being conducted on behalf of other public bodies. Nothing herein shall prohibit the assessment or payment by direct or indirect means of any administrative fee that will allow for participation in any such arrangement.

76. PROFESSIONAL AFFILIATION-The Department of Purchasing & Supply Management holds membership in the National Institute of Governmental Purchasing, Inc., a non-profit, educational and technical organization that includes among its goals and objectives the study, discussion, and recommendation of improvements in governmental purchasing and the interchange of ideas and experiences on local state, and national governmental purchasing problems.

77. DRUG FREE WORKPLACE- During the performance of a contract, the contractor agrees to (i) provide a drug-free workplace for the contractor’s employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor’s workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract of over $10,000, so that the provisions will be binding upon each subcontractor or vendor. For the purposes of this section, "drug-free workplace" means a site for the performance of work done in conjunction with a specific contract awarded to a contractor in accordance with this section, the employees of whom are prohibited from
engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.
